

Cake

Care Instructions

Pick up & carry the cake box from the bottom only.

Keep the cake level at all times. Use flat surface to transport such as floor or trunk.

Transport in a cool vehicle. Make sure to drive carefully.

Keep away from direct sunlight, moisture, & heat. Refrigerate if directed.

If refrigerated, take out 1-2 hours before serving for a room temperature cake.

Keep any leftover cake refrigerated in an airtight container for up to 4 days.
